These stories--dramatic, hilarious, tragic, triumphant--show that the human family has always longed for its Mother in Heaven, has often exiled her, and is now inviting her to come home. These women are depicted by Carol Lynn Pearson, who acts out their stories for us. Because the stories are intense, because there are 16 women depicted, and because we will definitely want time for discussion, this will be a two-part WGT.</p> <p>Desserts and wine included.</p>	20	2	18	\$50.00
